

How this book works

Every puzzle has a theme and 15 Portuguese words to find.
The English is under each word. Say each word out loud as you find it.

Puzzles 1–30: words go across and down.

Puzzles 31–70: diagonals too.

Puzzles 71–100: any direction, even backwards.

Accents and spaces are left out of the grid:

o fogão is FOGAO · bom dia is BOMDIA

o and a mean the: o for masculine words, a for feminine ones.

The answers start after puzzle 100, and an A–Z word list ends the book.
